

dear Friends,

As you know, in 2019, CITROËN will celebrate its Centenary.

Facing the impossibility of organizing on the Ladoux-track and having considered all the possible places to host this event (airports, tracks, factories ...), two sites remained possible: Le Mans and the site of La Ferté Vidame.

Within the Amicale, the site of the Ferté Vidame was unanimously accepted and generated a great enthusiasm among the Clubs present at the information meeting on the Epoqu'Auto show in Lyon.

This unique event will take place in La Ferté Vidame, this place full of history on 19th, 20th and 21st July 2019 in partnership with l 'Aventure Peugeot Citroën DS and the Brand CITROËN.

Join us, let's create this wonderful Centenary and make this event an unforgettable party!

Alain THURET

Président Amicale Citroën & DS France.
