# 25TH WORLD MEETING OF 2CV FRIENDS SLOVENIA 2025

---

# Changing the location

- Why?
- **Meeting was supposed to be on agricultural land**
- **The owners were delaying the negotiations about the renting price**
- **Another town with better conditions stepped into the conversation**
  
- Where?
- **Vipava, Karst region** (close to Italian border)
- Meeting will take place on grass surface

## Date and location of the meeting

- When? **29th of July – 3rd of August 2025**
- Where? **Vipava, Karst region (close to Italian border)**

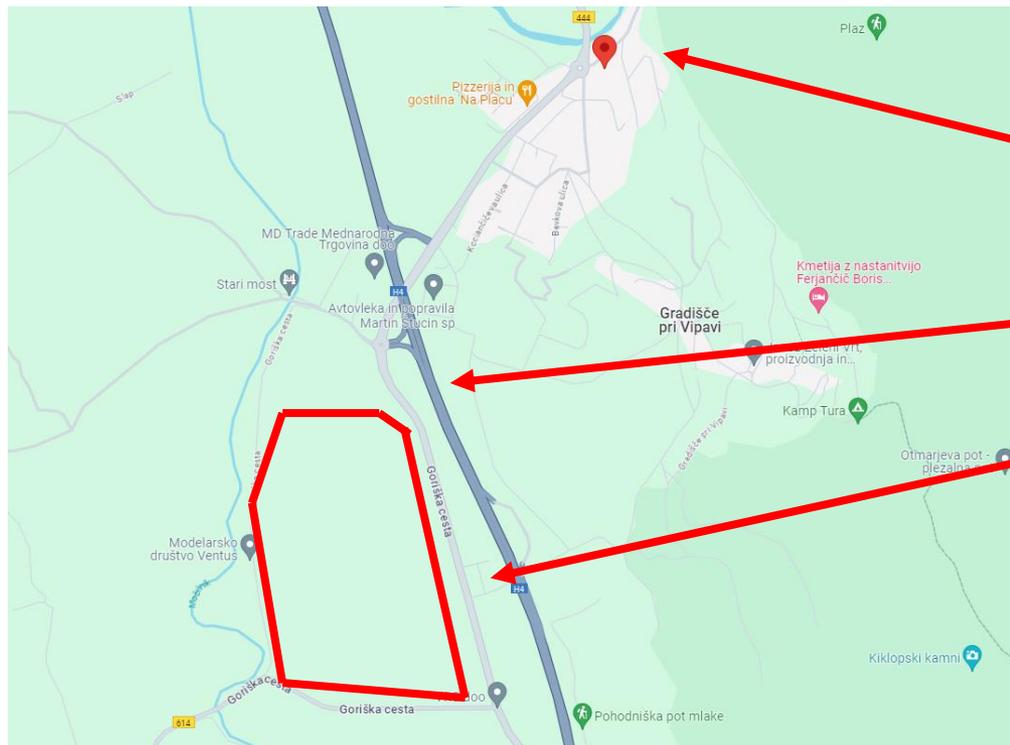

## Location specifics

- Where? **Vipava, Karst region** (close to Italian border)
- Close to 44 hectares of grass area secured for both campsite and meeting purposes
- Access to the meeting area less than 1 km from the highway
- The town Vipava has approximately 2000 residents
- It is located around 1 hr drive from Ljubljana and 1 hr drive from Slovenian seaside
- The town vice-mayor contacted our club and committee in the beginning of negotiations, so the town is heavily involved in the organization and very helpful with all the issues that come along

## Securing the location

- Where? **Vipava, Karst region** (close to Italian border)
- We are in the latest stages of negotiating the contract with the owners of the meeting area
- We are expecting to sign the contract by the end of february

# Involvement of Citroën brand

- Our local Citroën importing company is already helping us with promotion for our meeting
- We have been in steady contact with them for a very long time, since we have been helping them for with presentations of all new cars that arrive to slovenian market

## Activities in 2023

- Representing ourselves with our famous red tent and with a stage presentation on the 24th International meeting of 2CV friends in Switzerland
- We gathered already 370 registrations during the meeting alone
- So far we have 405 vehicles registered already
- The registrations are still available at our website – firstly only with credit card and paypal; from now on it will be possible to pay also via bank transfer

## Plans for 2024

- Securing the contract for meeting area by the end of february
- Choosing a coorganizing company to help us with permits and infrastructure – by end of april
- Searching and acquiring main sponsors for the event
- Options and registrations for volunteers – by the end of march
- Developing a collaboration with local tourist office – the contact is already established
- **Where we will try to be represented in 2024 and 2025:**
- Citroclassica Netherlands 2024
- German national 2CV meeting 2024
- ICCCR Torun 2024
- French national 2CV meeting 2025
